

Police Chief Heick Resigns

A letter of resignation from Police Chief Jack Heick was read to members of the Antioch village board at Tuesday night's meeting of the board. Heick gave salary, benefits, etc., as reasons for his resignation. He was not present at the meeting.

Contacted the next day, Heick said, "I'm leaving strictly because of the wages and benefits. Ray (Mayor Toft) has been very good to me, and I've had good relations with the people of Antioch. But I can't raise my family on the money I'm getting."

"The Municipal Retirement that they plan on starting is of no use to me, or any other policeman under about 45 years of age. A policeman doesn't last for 40 or 45 years on the job. It's too hazardous and there's too much overtime. They were going to give me a \$300 raise, and that's what I'd have to pay into the Municipal Retirement. So I wouldn't have a raise, and I couldn't get any of that money back till I'm 65 years old."

"At present," Heick said, "the village is paying \$500 for a uniform for each new policeman. If he leaves, his uniform never fits the man they hire. So it hangs on a rack here, and they have to buy another. Plus the expense of paying extra help to fill in till the new man learns the ropes. I think the village would be money ahead to pay the men more and keep them."

Board members accepted his resignation, with Roger Williams passing when it was his turn to vote.

Immediately following acceptance of the Police Chief's resignation, the board approved the salary schedule for village employees for the coming year. The new salaries included a raise of \$300 a year for the police chief, from \$7,000 a year to \$7,300.

Home After Nine Months In Viet Nam

Corp. Charles Miller of Rt. 3, Antioch, returned to Antioch last Friday after 9 months and 18 days in Viet Nam. "I'm glad to be home, but I'm glad I went over there, too," Charles says.

Because he had no leave while in Viet Nam, Chuck's tour of duty ended sooner than he had expected. He was informed at 11:30 a.m. Tuesday morning that he should pack up to return to the States. He was just getting ready to leave on a field operation.

He was flown by helicopter to Long Bien, then to Saigon, then to Ben Hoa, where he started the flight home. He was at O'Hare Field at 6 a.m. Friday morning. "It was really fast," Chuck said. "They got the GI's home real quick once their time is up."

Chuck's parents are Mr. and Mrs. Walter Miller of Rte. 3. His mother, Loretta, operates Fascination Beauty Salon.

One of the first things Chuck did after he got home was to visit the Antioch Post Office and thank Postmaster Joe Wolf and the men there for the packages he received overseas. "Everyone shared their packages, so all the men in my group shared mine," Chuck said. "And that Kool Aid sure helps. The water tastes pretty bad. The soup was even better. You get so tired of drinking coffee when you're on night duty, and the soup's a real good change."

Chuck was stationed at a helicopter landing strip at Soc Trang, about 95 miles southwest of Saigon. He was in charge of 15 dog teams—a team is a dog and a man.

"The dogs aid in Search and Destroy missions. Chuck has worked with dogs all his life and was glad to be assigned to work with the Canine Corps in the Army. "The dogs are valuable in 'mopping up' operations and in nosing out hidden Viet Cong," Chuck said. "The Viet Cong fight a good deal like the early American Indians did—one minute there is a whole army out there shooting, and the next they

just disappear into the countryside."

The relationship between man and dog is close in the field. The life of the man depends on the astuteness of his dog, and the dog will obey only his master. When a man's tour of duty ends, he finds it hard to leave the animal who has been his constant co-worker for many months, and turning to a new master is not easy for the dog.

The men lived in "hooches" of wood and screen. Every man watches out for himself in making his sleeping place safe, Chuck said, piling sandbags around his "hooch" and digging a trench nearby to take shelter from the frequent night attacks of mortar fire.

Asked what he thought of the peace demonstrations at home, Chuck was indignant. "I don't think they know what they're talking about," he said. "I'd like to know if any of these guys that are demonstrating have been in Viet Nam. You don't see demonstrations over there."

"I think we have to stay there till we win," Chuck said. "That's how most of the fellows over there feel. The people are ignorant and dirty and poor. But the country has great potential, and the people can be educated and helped. If we pulled out tomorrow, the war would be over. The Viet Cong would take over and the country would be communist."

"We've already helped a lot," Chuck said. "When I went over in October, I traveled to my base on a muddy road. When I went home, it was a highway like we have here."

They've built some schools, and some GI's have built and support orphanages, with their own money. Maybe 200 GI's in an outfit chip in and support an orphanage with 25 kids. They do it on their own."

"The country has great potential and the people are worth helping," he said. "The GI's believe that what we're doing is right."

He also receives \$200 a year as Juvenile officer.

Raises for other village employees ranged from \$200 to \$800 a year. The salary schedule as approved by the board is published elsewhere in the paper.

Unrest in the police department has been obvious for some time, as several policemen have resigned. Fred Elam, Jerry Awe, Tom Ring, and most recently, Arthur Wertz have left the department.

Richard Long, of Venetian Village, was recently hired to replace Ring. Long has been with the Lake Forest police three years and the Highland Park police four years.

Policemen now left in the department are Sergeant Harold Mason, Jack Davis, Rudy Hajik and Long.

Mayor Ray Toft said he has no idea who he will appoint for police chief to replace Heick. The police chief is customarily appointed at the first board meeting in May. "We tried our best to find a way to get more money for the police," Toft said. "But we just don't have it."

In other business, Mayor Toft instructed clerk Clarence Shults to write to the State Highway Dept. requesting permission to re-route traffic so that Main St. could be left open for the Jubilee parade on August 6. A detour via Tiffany Road to North Ave. would probably be used during parade time.

The board approved a motion to waive payment of fees for building permits at St. Stephen's Lutheran Church. It has been customary to waive permit fees for all church construction.

The board accepted the recommendation of the Planning Commission that the sidewalk ordinance be enforced in two new subdivisions under construction in the village. The ordinance provides that all sidewalks be installed within two years after acceptance of the subdivision plat.

Mayor Toft announced that a special meeting will be held April 27, at 12:30 p.m. to approve liquor licenses within the village.

Mrs. Henslee Dies In Fla.

Mrs. Clara Gertrude Henslee, 89 years old, of DeBarry, Florida, died at Seminole Memorial Hospital in Sanford, Florida, Wednesday, April 19. Mrs. Henslee was the widow of the Rev. Warren C. Henslee who was minister at the Antioch Methodist Church for ten years.

Funeral services for Mrs. Henslee have been tentatively set for 1:30 p.m. next Tuesday, April 25, at the Strang Funeral Home in Antioch. Friends will be able to call at the funeral home Monday. Interment will be in Hillside Cemetery at Antioch.

Mrs. Henslee was born October 30, 1877, at Sidney, Iowa. She married Warren C. Henslee on February 20, 1896. He preceded her in death Dec. 25, 1950. The Rev. Henslee had been a Methodist Minister serving the following communities: Antioch, Clearing, Franklin Park, Douglas Park, Hammond, Ind., and other communities in Indiana and Kansas. He had been in the ministry for 44 years and retired three years before his death.

Mrs. Henslee had been residing in the DeBarry Manor while living in Florida. She is survived by one son, Robert Lloyd Henslee of Florida, and one sister-in-law, Mrs. Flora Reeves of Almena, Kansas.

Packages Go Out, Letters Come Back

The Viet Nam project at the Antioch Post Office is not a one-way street. The men at the post office mail a great many packages to Antioch area servicemen in Viet Nam. However, they get back letters of appreciation, are frequently thanked by the mothers of servicemen who come into the post office, and are cheered and helped in their task by contributions from residents.

Two letters from Viet Nam were received at the post office last week. One was from a nurse at the 67th Evacuation Hospital. The post office has been sending packages regularly to two hospitals in Viet Nam. Following is the letter:

Dear Sir:

I want to thank you and the people of Antioch on behalf of the patients in our hospital for the gifts of tea, Kool Aid, pens, playing cards and other items which you have sent. These items have been greatly appreciated by the patients and have contributed to their care and comfort.

LTC Dora M. Coover, who is from Antioch, recently returned to the United States after completing her tour of duty here. While here she often expressed her gratitude for your thoughtful gifts.

Sincerely yours,
Nellie M. Hill
Major ANC
Asst. Chief, Nrs. Svc.

The second letter is from Pfc. Mike Grefkowitz of Antioch. He is stationed at Yung Tru, Viet Nam.

Dear Friends and Neighbors of the Antioch area:

At this time, I would like to thank the warm-hearted citizens of our Lake Region for their thoughtfulness to the soldiers serving here in Viet Nam.

Your package was received with much appreciation. It makes one feel good to know that the people of Antioch take much of their own valuable time to express their best wishes and to prepare a variety of necessities to us in your package.

Your thoughtfulness, I'm sure, will never be forgotten by us soldiers fighting for our country's freedom here in Viet Nam.

Thank you once more for your well appreciated gift.

One of the many Antioch soldiers in Viet Nam, Pfc. Mike Grefkowitz

A new name was added to the list of servicemen in Viet Nam this week: Pvt. William Woodmaster U.S. 54811361, 66th Trans. Co., APO San Francisco, Calif. 96349.

In addition, A/2c Jos. W. Anzinger, who seems to move around quite a bit, has another change of address this week. The new address: A/2c Jos. W. Anzinger AF16817493, 37 Trans. Sq. PACAF, APO San Francisco, Calif. 96346.

News also comes that Pfc. William C. Dunfrund has been promoted to SP/4.

And here are some of the latest contributors to the Viet Nam project: Russell Darthel, St. Peter's School, Mr. and Mrs. George Wagner, Mr. and Mrs. Clarence Shults, Robert Hart, Walker Curnes, and Ben Noble.

Register Tots For Kindergarten

Kindergarten registration for the 1967-68 school year will take place at the Antioch Grade School, 817 N. Main St., Antioch, and at the Oakland Grade School, Loom Lake and Deep Lake Roads, during the week of April 24. All children who will be five years old by December 1, 1967, are eligible for kindergarten. No child will be registered unless a birth certificate is presented to the school at the time of registration. A fee of \$7.50 will be charged for each child registered.

Hours for registering will be daily from 9 a.m. to 4 p.m.

Design Flag For Antioch

The Antioch Chamber of Commerce hopes to have an official flag of the village ready to fly on Flag Day, June 14.

With this object in mind, they turned the project of coming up with a flag symbolic of the village over to Mrs. Jane Craner and her art pupils at Antioch Community High School.

The Chamber has offered a \$50 Savings Bond to the artist who produces the winning design. Dale Starkey, chairman of the committee in charge of the program, said that judges and procedures for choosing the winners have not yet been laid out.

"President Jerry Babb and the committee hope to sit down with the village board and decide which of the entries will be most suitable for Antioch," Starkey said.

"Of course, Mrs. Craner will help us."

Once the design of the flag has been selected, it will be sent to a flag maker, Mr. Starkey said. Large flags will be made up for the village and schools, to be presented to them. "We'll also have an assortment of smaller flags made and hope that some of the merchants will use them, particularly during the Diamond Jubilee," Mr. Starkey said.

Because of the time involved in getting the flags made, the Chamber hopes to have all entries in by May 14.

Mrs. Craner has reported considerable enthusiasm among her students for the project. She has taken the opportunity to embark them on a study of flags, including background, history and symbolism of the designs.

Irving Walsh

Richard Radke

Richard Burnette

Walsh, Radke, Burnette Elected

The People's Party, made up of Irving Walsh, incumbent, Richard Radke and Richard Burnette, won in Tuesday's election for village trustees.

A total vote of 708 ballots was cast, almost 300 less than in the preceding election, when Mayor Ray Toft was elected. Thirty-one ballots were spoiled, many voting with a check mark instead of an X. Several voters spoiled their ballots by voting for three candidates under each party heading, or a total of nine candidates.

Richard Radke, lead as a vote getter, with 351 votes;

next was Richard Burnette with 341, then Irving Walsh with 324.

Richard Daniel lead the defeated candidates for seats on the board, with 287 votes. Voting for the remaining candidates was as follows: Eugene Diemer, 147; Charles Cernak, 110; Robert Schroeder, 102; Steve O'Higgins, 63; Sam Lombardo, 110; George Boyd 45. There was one write-in vote for Bernard Osmond.

There were 160 straight votes for the People's Party, 54 for the Progressive Party and 463 split ballots.

The vote was canvassed at the Village Board meeting

Tuesday night. The two retiring board members, Roger Williams and David Nissen, were sitting in at their last regular board meeting.

Roger Williams, after six years service, said he had enjoyed his years of service on the board, but felt he had served long enough. "It was a good experience," he said. David Nissen served seven years, and has been particularly active on the Sewer Water Committee.

Irving Walsh, re-elected incumbent, recently underwent successful heart surgery. He was present at Tuesday night's board meeting.

Freshmen Get Pre- School Counselling

Last week was registration week at Antioch Community High School, the week when all eighth graders who will be starting high school next fall register, and select their courses.

This year, the procedure of registering was different from previous years, in several respects. For one thing, each student and his parents was given a definite appointment. Each family was notified, by letter, of the time of the appointment, and could contact the school for a change of time, if necessary. Thus, there was little waiting, and counsellors could take their time in advising pupils.

In addition, this year, the school nurse, a couple of athletic coaches, and representatives of the Music Department, were on hand to advise the students on these activities.

Third, the counselling sessions were set up in the library. In a relaxed, but academic, setting the counsellors could advise students on courses available to them

and what they could expect. Several teachers served as counsellors each evening. They were armed with knowledge of each child from the results of tests given to the pupils earlier. The tests show in which subject the student is weak, or in which he excels.

If the tests show that the student is weak in reading, the counsellor will encourage him to attend the basic reading courses next summer at the high school. Summer school may be suggested to improve his ability in any subject in which he is weak.

Freshmen must take a math course, Science and English. They have one elective course. The counsellor helps them to choose the one best suited to their needs and abilities.

The music teacher, the athletic coaches, the nurse, give the youngsters information on the activities of their own department.

The benefit of the previous interviews has shown up clearly for the Music Department, Edward Kurek,

school counsellor, remarked. Many more students than normal have signed up for some activity in this department.

Athletic coaches encourage all boys to participate in sports, assuring them that there is plenty of room in sports for all who wish to participate.

The school nurse explains to the students the physical requirements for entering high school—the need for a doctor's and dentist's certificate.

The extra time spent now, says Mr. Kurek, will be of great benefit next fall. Starting with the next school year, students' schedules will be set up with a data processing system. The information gained during these sessions will be used to set up the schedules.

The tests and counselling, of course, will help many students to get a great deal more out of their first year in high school, and smooth their path throughout their high school career.

Revoke License

The office of Secretary of State Paul Powell has announced the revocation of the driver's license of Charlie G. Areutt, 307 North Ave., Antioch, on a charge of driving while intoxicated.

One of the first stops Corp. Charles Miller made when he returned home from Viet Nam was at the Antioch post office, to thank the men there for the packages sent to him. Left to right, Postmaster Joe Wolf shakes hands with Chuck.

Mr. Kurek helps a student decide which courses he should take in his freshman year at Antioch High.

Parents and children from the Grass Lake School District consulted with teachers at Antioch High School in a pre-school registration session for eighth graders.

Peace At Any Price

"You don't see any demonstrations in Viet Nam". Those were the words of a young Antioch soldier just returned from Viet Nam. He was talking about the anti-war demonstrations staged in this country.

He might have added, "You don't see veterans of the fighting in Viet Nam in these demonstrations."

No one likes war. And probably there are times when we all wonder if perhaps the "doves" are right. Should we just pull out, save the lives of our young men, quit spending all this money?

Veterans who return from war in Viet Nam are almost unanimously firm in their belief that we must stay there and finish the war. They are the ones who have seen the conditions first hand; many of them are draftees; they didn't want to go to war, and they didn't want to go to Viet Nam. But they did, and they're convinced of the necessity of the war.

Their conviction is a much stronger argument than the mouthings of idle rebels or "bleeding hearts" who would like to believe that we can remain safe and secure by preaching peace at any price.

Courthouse Notebook

BY LOU DURKIN

Whatever happened to lightning rods? It is understandable they would be replaced on farmhouses by television aerials, but what about those which used to grace the roof of every large barn?

Apparently the once-familiar lightning rod salesman is another of the Vanishing Americans.

It will be interesting to see if the various polls and surveys being taken on the legalization of bingo will be as effective as the television surveys which can spell life or death for television programs.

Several newspapers have conducted polls on the question and will transmit their findings to the Illinois General Assembly. Unofficial returns indicate strong support for legalizing the game under state control and for charitable purposes, but it is unlikely the results will have any great influence on the legislators.

Area legislators have apparently succeeded in getting additional funds for the Waukegan Port District, but it looks again as though those who use the Waukegan Memorial Airport will benefit more than those who want to see some development in the Waukegan Harbor.

As in past years, most of the money will be allocated for airport improvements although the District was originally established to develop harbor facilities.

ADD ANTICLIMAXES: The report last week of the Grand Jury which stated that the present courthouse and jail are unsafe, inadequate and should be replaced.

The grand jury quizzed scores of witnesses, pried into the internal affairs of a private organization, labored mightily and brought forth a mouse.

In addition the report followed by two days the letting of bids for construction of the second phase of the county building complex.

The first phase, the twirling administrative building, is scheduled for completion last January which may prove to be the longest month in many a year.

The Grand Jury apparently couldn't quite bring itself to label the legal fighting against the county building program by the Association of Collective Taxpayers a conspiracy despite the outbursts of abuse which have been heaped on the group.

Over the years Lake County has sent few state legislators to Springfield from the county Board of Supervisors, but some of the other legislative districts must be loaded with ex-supervisors because of the pro-board legislation which has been passed.

Expected to pass legislation which would wipe out the tax rate ceilings imposed last November by Lake County voters and now the legislature has raised per diem fees of board members and members of the Lake County Forest Preserve District, who are really county board members in forest ranger hats.

Your Congressman Reports....

By Cong. Robert McClory

The United States Post Office Department is in for a major overhaul. After many years of congressional and bureaucratic study and analysis, the government is finally admitting its inability to render efficient postal service.

While the Republicans were still preparing legislation to remove the Post Office Department from partisan politics, the astute Postmaster General—Larry O'Brien—surprised the nation with a plan to turn the postal service to a federally chartered nonprofit corporation. This could mean an increase in rates to defray the cost of providing an efficient postal service. It would certainly mean adoption of modern techniques and merit employment practices, upon which any efficient business operation depends.

"Patronage" appointments of postmasters and many other postal employees have plagued the Congress for many years. A Republican measure to require merit selection of postmasters as progressed through the United States Senate and is now at the passage stage in the House of Representatives. This action preceded the surprise announcement by the Postmaster General proposing the liquidation of his entire department.

In connection with his program for overhauling the mail service, Mr. O'Brien has recommended the replacement of the entire postal department by the government-sponsored nonprofit corporation. This would include his own demise as a cabinet officer.

Apparently the Administration is unwilling to go quite as far as retired Admiral Ben Moreell had proposed seven years ago. Admiral Moreell, Chairman of the Board of Americans for Constitutional Action, contended that private enterprise could handle our nation's mail service more efficiently and more economically than a public corporation. But the probability of giving such a chance to private enterprise appears quite remote.

President Johnson has named a 10-member commission to study and report on the best way to handle the dilemma in which our postal service finds itself. Headed by Frederick R. Kappel, former Chairman of American Telephone and Telegraph Company, the Commission is expected to make far-reaching recommendations. These findings will surely include the removal of the postal service from politics for all time—as well as the removal of the Postmaster General—the Democrats' top "politician"—Larry O'Brien.

The Postmaster General, himself, supports both of these proposals. The Members of Congress are expected to follow the recommendations. In addition, the Congress will attempt to give effect to the president's observation that

"Americans want and deserve the most efficient and modern postal system."

Carnival At Central High

On Saturday, April 22, beginning at 1 p.m. at Central High School at Salem, there will be a carnival. Games, dancing, and "Dunk the Teacher" will be highlights of the affair. The Band Mothers and Chorus Mothers will have a bake sale.

This carnival's proceeds will go to the Band Uniform Fund to help defray expenses for uniforms. The new outfits have been in use for much of the year.

Mr. Stevens, band director, and Mr. Lunde, choral director, invite everyone to stop in at Salem Central and have a good time at the Carnival.

Teacher Of The Week

Assistant Superintendent Warren Polley

Warren Polley, Assistant Superintendent of Antioch Community High School, has been a member of the staff for nineteen years. In those years he has taught Business Education and served as a coach for the basketball, football and baseball teams, finally becoming assistant principal at the school.

Mr. Polley was born at Du Quoin, Ill., and lived in Sugar Grove, Ill., through the years when he attended school. He attended the Sugar Grove Community High School.

Mr. Polley received a B.S. degree in Business Education from Illinois State University in 1946. In 1949 he received a Master's degree from the U. of Illinois. He took additional courses in Education Administration at Illinois State University.

During his high school and college years he played basketball and was a member of Phi Delta Kappa and Delta Pi-Epsilon fraternities.

Mr. Polley and his wife Mary have two sons and two daughters. Janet attends Cornell College; Sue attends Iowa State; Mike is a junior at Antioch High School and Jim is a freshman.

Mr. Polley's hobbies are photography, and watching sports. He's active in community affairs, being a Red Cross First Aid and Water Safety instructor and a member of the Official Board of the Antioch Methodist Church.

Cancer Drive Going Well

What had been only a hopeful expectation of record success today became almost a certainty in the American Cancer Society's 1967 educational and fund-raising Crusade in Antioch.

Halfway into the last two weeks of the Crusade, Morris Pickus, 1967 Crusade Chairman, reported these results:

1. An increase over last year in the number of homes contacted by volunteers and the number of educational items distributed.

2. An increase in funds raised for cancer research, education and service during the 1967-68 fiscal year.

So far, the American Cancer Society's April Crusade has raised \$30,711.50 in Lake County. The figure for the same period last year was \$29,764.84.

The first annual Banquet for the Diversified Occupations program at Antioch High School was held last Saturday night. Pictured here are some who attended the banquet. Seated at far right is Adrian Mueller, sponsor of the program at the High School.

First D.O. Banquet At Antioch High

The first annual Diversified Occupation Banquet was held at Antioch High School last Saturday night, April 15, with students enrolled in the program and their employers and trainers attending.

The D. O. program at the high school has been highly successful in the short time that it has been in operation. The program allows students to attend school one-half day and work at a job the other half. The student gets his high school credits and is often able to finish school and get his diploma where he might otherwise drop out.

Fifteen students are at present enrolled in the program. They are training on jobs ranging from parts man at a local garage to floral arranger at a florist's and cook in a restaurant.

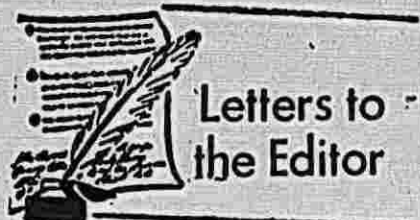

Saturday night's banquet was attended by the students, their employers, their parents and members of the faculty at the high school.

Robert Benson, Sr., gave the invocation that opened the evening's proceedings. After dinner, Charles Bethman, vice president of the Industrial Vocational Club, welcomed the guests.

Albert L. Dittman, superintendent of the high school, introduced the board members present. He congratulated the students for their achievement during the year and stated that he and the board of education hoped to see the program expand in the years to come.

Warren Polley, assistant superintendent, introduced the faculty members present. Colorful slides of students working at their part-time jobs were shown by Donald Drake of the audio-visual department.

Adrian Mueller, co-ordinator of the D. O. program, presented special awards to the employers of the students for their cooperation with the program.

Dear Friend:

April 16-22 has been designated as Library Week in Illinois and in the nation.

It is a good opportunity for the people of your community to become better acquainted with one of the most important resources your community has. Library Week is a gentle reminder of the riches available to all citizens, rich or poor, old or young, in your community.

The citizen who has not visited his library and acquainted himself with what is there is in for a real adventure.

Library Week is a good time for many to renew that adventure and for others to discover it for the first time.

Sincerely

Senator Paul Simon
Chairman
Illinois Library Week

The Industrial Vocational Club made up of students taking part in the program, has the following officers: president, Glen Kirchmeyer; vice president, Charles Bethman; secretary, Lenora Lelander; treasurer, Walter Bosnick; reporter, Dan Toman and parliamentarian, Neil Larson.

Bad Weather Hampers Golf Team

High School golf has become progressively popular through recent years. This year, Coach Roy Nelson reports, he had 29 boys reporting for practice and regretfully had to cut the squad.

Antioch High's Golf team won 9 last year and lost 5. They finished third in the Conference and 4th in the District.

Lettermen returning to the golf team this year are Bruce Muir, Tim Osmond, Frank Roblin, Jerry Whitson and Fred Wittleder, all seniors.

Other members of the varsity squad are Jerry Dusek and Don Sherwood, both juniors.

On the Fresh-Soph squad are sophomores Don Effinger, Jay Horton, Rod Miller and Tom Radke. Freshmen are Ted DeBoer, Phil Dziki, Dave Longly, Louis Nielsen, Ron Ozga, Wayne Simon, Steve Smouse and Jim Weiss.

Antioch lost its first match of the year to McHenry, 175-179. Five boys play nine holes, and the best four scores are selected for the team total.

Antioch defeated Woodstock Monday, April 17, at the Woodstock Country Club, 182-193.

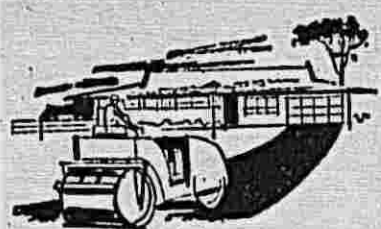

Frank Roblin led in the scoring with a 41 for nine holes, defeating Mark Steagal who took 48 strokes.

Fred Wittleder lost to Dave O'Hara, 48-47. Jerry Whitson defeated Chuck Todd, 44-50. Jerry Dusek

lost to Frank Krehak, 48-49, and Tim Osmond defeated Mick Polnow, 50-53.

"It's been a bad spring for golf," Coach Roy Nelson commented. "Monday the temperature was 43 degrees while the boys were playing, and the wind was very strong."

The B squad won their match with Woodstock, 226 to 242.

Meeting of O.E.S.

Antioch Chapter No. 428, Order of the Eastern Star, held a regular meeting on Thursday, April 13th with Carrie and Herb Pauli, Worthy Matron and Worthy Patron presiding.

Plans were discussed for the annual chicken luncheon that will be served to the public in the Masonic Temple dining room from 11 a.m. on Thursday, April 20.

Carrie asked Hazel Parfitt, installing officer, and Josephine Kirschbaum, installing marshal, to preside during the installation of officers to two recently vacated offices. Installed were Joseph Parfitt, associate patron, and Elsie Hays, warder.

A short memorial was given for Ethel Runyard and the altar was draped in her memory.

It was announced that the April 27th meeting will be

P.T.A. HOSTING BOOK AND SCIENCE FESTIVAL

On April 25, the P.T.A. of Grass Lake School and the 7th grade class will be hosting a Book and Science Festival. Books of many interest levels and subject matter will be on display for purchase. Also on display will be Science Kits, Science Equipment and Educational Toys of all types for sale.

Students at school will have several opportunities to view and order items of their choice. The public is invited to come on Tuesday, April 25 from 3:00 to 7:00 p.m.

The 7th grade class officers and their classmates have been organizing this festival and will be working during the festival itself.

dispensed with. Antioch and Millburn Chapters will jointly receive an official visit of the Worthy Grand Matron and the Worthy Grand Patron of Illinois that evening at the Millburn Masonic Temple. A dinner for the members will be served at 6:00 p.m.

A social hour in the dining room was enjoyed following the meeting.

The Past Matrons Club of Antioch Chapter, Order of the Eastern Star met at the Temple on Wednesday evening, April 19th. Marion Kleven was hostess.

Spring Luncheon For Garden Club

The April 24th meeting of the Antioch Garden Club will be the annual Spring luncheon and installation of officers.

The luncheon meeting will include a tour of the Conservatory in Milwaukee, followed by lunch at the Hilton Inn.

Members will meet at the Antioch Savings & Loan building at 9:30 a.m. April 24. They will drive, in several cars, to Milwaukee.

Following the tour and luncheon, the new slate of officers will be installed. They are Mrs. Edward Jacobs, president; Mrs. Clarence Spiering, first vice president; Mrs. C. Vanderwerker, second vice president; Mrs. John Puchalski, secretary, and Mrs. Dudley Kennedy, treasurer.

The Garden Club plans to observe Arbor Day by planting a tree in front of the Scout House in Antioch. There will be a small ceremony in which the Boy Scouts will participate.

Legion Auxiliary

By Del Jahneke

Mrs. Ray Rathmann, Antioch Unit President, Mrs. Walter Hills, Mrs. Edward Jahneke, Mrs. Joseph Horton, and Mrs. Lester Zitkus attended the 10th District American Legion Auxiliary meeting at the Wauconda Legion Home, on April 12. Approximately 150 members and guests were present.

The honored guests were Mrs. Howard Clark, of Sycamore, Ill., 2nd Division President; the 10th District Legion Officers; and Miss Pam Sherer of Zion, the featured speaker.

Pam Sherer

Miss Sherer has been chosen by the Illinois American Legion Auxiliary to serve on the Illinois Council of Youth. This Council, directed by Governor Kerner, is a subsidiary of the U. S. President's Council of Youth.

Pam Sherer, a Zion-Benton High School senior, is one of 17 teenagers in the state who has been honored to serve on this Council. Her interest and active participation in the Illini Girl's State, and her selection as one of two delegates from 550 girl states, to attend Girl's Nation in Washington, D. C., last July, were one of the many reasons she was chosen.

The main purpose of the Illinois Youth Council is to provide a channel through which a representative body of youth may have a voice in solving the problems facing today's youth. Miss Sherer's talk dwelt on her experiences in Girl's State, and the opportunities of learning government procedures and legislation. She is one of two youths, the other a Hinsdale High School Junior boy, who has been selected to fly by jet-plane to Washington, D. C., on May 8th, 9th, and 10th, to assist with the preparations for the 1970 White House Conference on Youth and Children.

The Antioch Unit has been sponsoring an Antioch Community High School Junior girl to go to Illini Girl's State for the past 18 consecutive years. Mrs. Joseph Horton, Illini Girl State Chair-

man, will soon announce this year's candidate and her alternate, for Girl's State.

Due to the illness of Mrs. F. A. Swenson, Antioch Unit Chaplain, Mrs. Rathmann was one of the participants in the District Memorial Service for the 27 Auxiliary members who have died this last year. Mrs. Albert Dorn, Mundelein, District Chaplain, conducted this Memorial Service, with Mrs. Paul McElyea, soloist, singing "I Walk Through the Garden Alone" and "The Old Rugged Cross," accompanied by Mrs. Paul Austin, Waukegan, as the musician.

Three \$25 U. S. Savings Bonds were awarded to these first place winners in the Americanism essay contest: Class I—Mary Wolfe, Prince of Peace School, Lake Villa; Class II—Jeanne Lekay, Zion, Holy Child High School; and Class III—Joyce Hooker, a Waukegan High School senior. Antioch had two District winners last year.

The 10th District Past Presidents' Parley dinner is set for May 4th, at the Jolly Rogers Restaurant in Zion, stated Mrs. Lewis Johnson, Zion, Junior Past Director. Mrs. John L. Horan, Sr., is the Reservations Chairman for this event, and requests that she receive the reservations by April 30.

Mrs. Wm. Schultz, North Chicago, District Membership Chairman, said that the 10th District American Legion Auxiliary is over 100% in membership, with 2,280 members in Lake County. Antioch is one of the 16 100% and "over quota" Units.

Warren Andre, Dick Jorgensen, Scotty Birdsall, Buster Schumann, Ed Kurtz and Lillian Birdsall performed a graveside memorial service for a departed Loyal Order of Moose member, Glen (Pat) Siedschlag, Sunday morning, April 16th, at the Wilmet Cemetery. Present at the service were: Mrs. Mildred Siedschlag, widow of the deceased, Glen D. Siedschlag, a son, Mrs. Minnie Pierce, Mrs. Henry L. Homan, Mr. and Mrs. Donald Homan and son, & Mrs. Marilyn Gauger. Both father and son were enrolled into the

Legion Auxiliary. A regular meeting will be held on Wednesday evening, Apr. 26 for the L.O.O.M. and the birthday dinner will also take place on this same evening.

A meeting is set for the Hunting Club of the Antioch Moose at the Moose Home Thursday, April 27, at 8 p.m. President Leonard Huhn wants to thank all who donated prizes that were awarded the night of the Hasenpfeffer dinner. Delbert Huhn will give a demonstration on how to operate a shot gun shell reloader to all members who attend on this evening.

Mr. and Mrs. Gustafson present the chalice given memory of their son, Sir Knight Albert Smith to Father Lynch, Prince of Peace Church. Left to right, Anthony Griggins, Father Henderson, Father Lynch, Mrs. Gustafson and Mr. Gustafson.

Antioch had two District winners last year.

The 10th District Past Presidents' Parley dinner is set for May 4th, at the Jolly Rogers Restaurant in Zion, stated Mrs. Lewis Johnson, Zion, Junior Past Director. Mrs. John L. Horan, Sr., is the Reservations Chairman for this event, and requests that she receive the reservations by April 30.

Mrs. Wm. Schultz, North Chicago, District Membership Chairman, said that the 10th District American Legion Auxiliary is over 100% in membership, with 2,280 members in Lake County. Antioch is one of the 16 100% and "over quota" Units.

Warren Andre, Dick Jorgensen, Scotty Birdsall, Buster Schumann, Ed Kurtz and Lillian Birdsall performed a graveside memorial service for a departed Loyal Order of Moose member, Glen (Pat) Siedschlag, Sunday morning, April 16th, at the Wilmet Cemetery. Present at the service were: Mrs. Mildred Siedschlag, widow of the deceased, Glen D. Siedschlag, a son, Mrs. Minnie Pierce, Mrs. Henry L. Homan, Mr. and Mrs. Donald Homan and son, & Mrs. Marilyn Gauger. Both father and son were enrolled into the

Legion Auxiliary. A regular meeting will be held on Wednesday evening, Apr. 26 for the L.O.O.M. and the birthday dinner will also take place on this same evening.

A meeting is set for the Hunting Club of the Antioch Moose at the Moose Home Thursday, April 27, at 8 p.m. President Leonard Huhn wants to thank all who donated prizes that were awarded the night of the Hasenpfeffer dinner. Delbert Huhn will give a demonstration on how to operate a shot gun shell reloader to all members who attend on this evening.

By Lillian Birdsall

With the election of officers over, the Antioch Loyal Order of Moose has set Saturday evening, April 29th, as their date for installation. Newly elected officers to be installed on this evening are: Warren Andre as governor, Scotty Birdsall as Jr. governor, Roy Duske as prelate, Jerry Kusch for treasurer and Clayton Orhwall as trustee for three year term. Arthur Andersen remains as secretary and Richard Jorgensen as past governor. Refreshments and dancing are also scheduled for the evening and Frenchy Dione of the Waukegan Lodge will be guest speaker.

The Legion Get-together and pot luck was held at the Antioch Moose Home Sunday, April 16, with 24 members present. President Wally Good opened the meeting by giving a big welcome to the new members present. After the discussion of old business, plans were made for a dinner outing for the next regular scheduled meeting. Members will be informed of the time and place, which will also take in the election of new officers.

A regular meeting will be held on Wednesday evening, Apr. 26 for the L.O.O.M. and the birthday dinner will also take place on this same evening.

RETURN FROM FLORIDA

Mr. and Mrs. Peter Zalatortis returned to Antioch from Florida last week. They were accompanied on their trip by their daughter and son-in-law, Mr. and Mrs. George Cernak, and granddaughter, Suzanne, of Brookfield.

They visited several former Antioch residents now living in Florida during their stay, including Mr. and Mrs. Henry Mock, Mr. and Mrs. Louis Kuba and Mr. and Mrs. Joseph Prucha of St. Petersburg.

SORORITY TO OBSERVE 40TH ANNIVERSARY

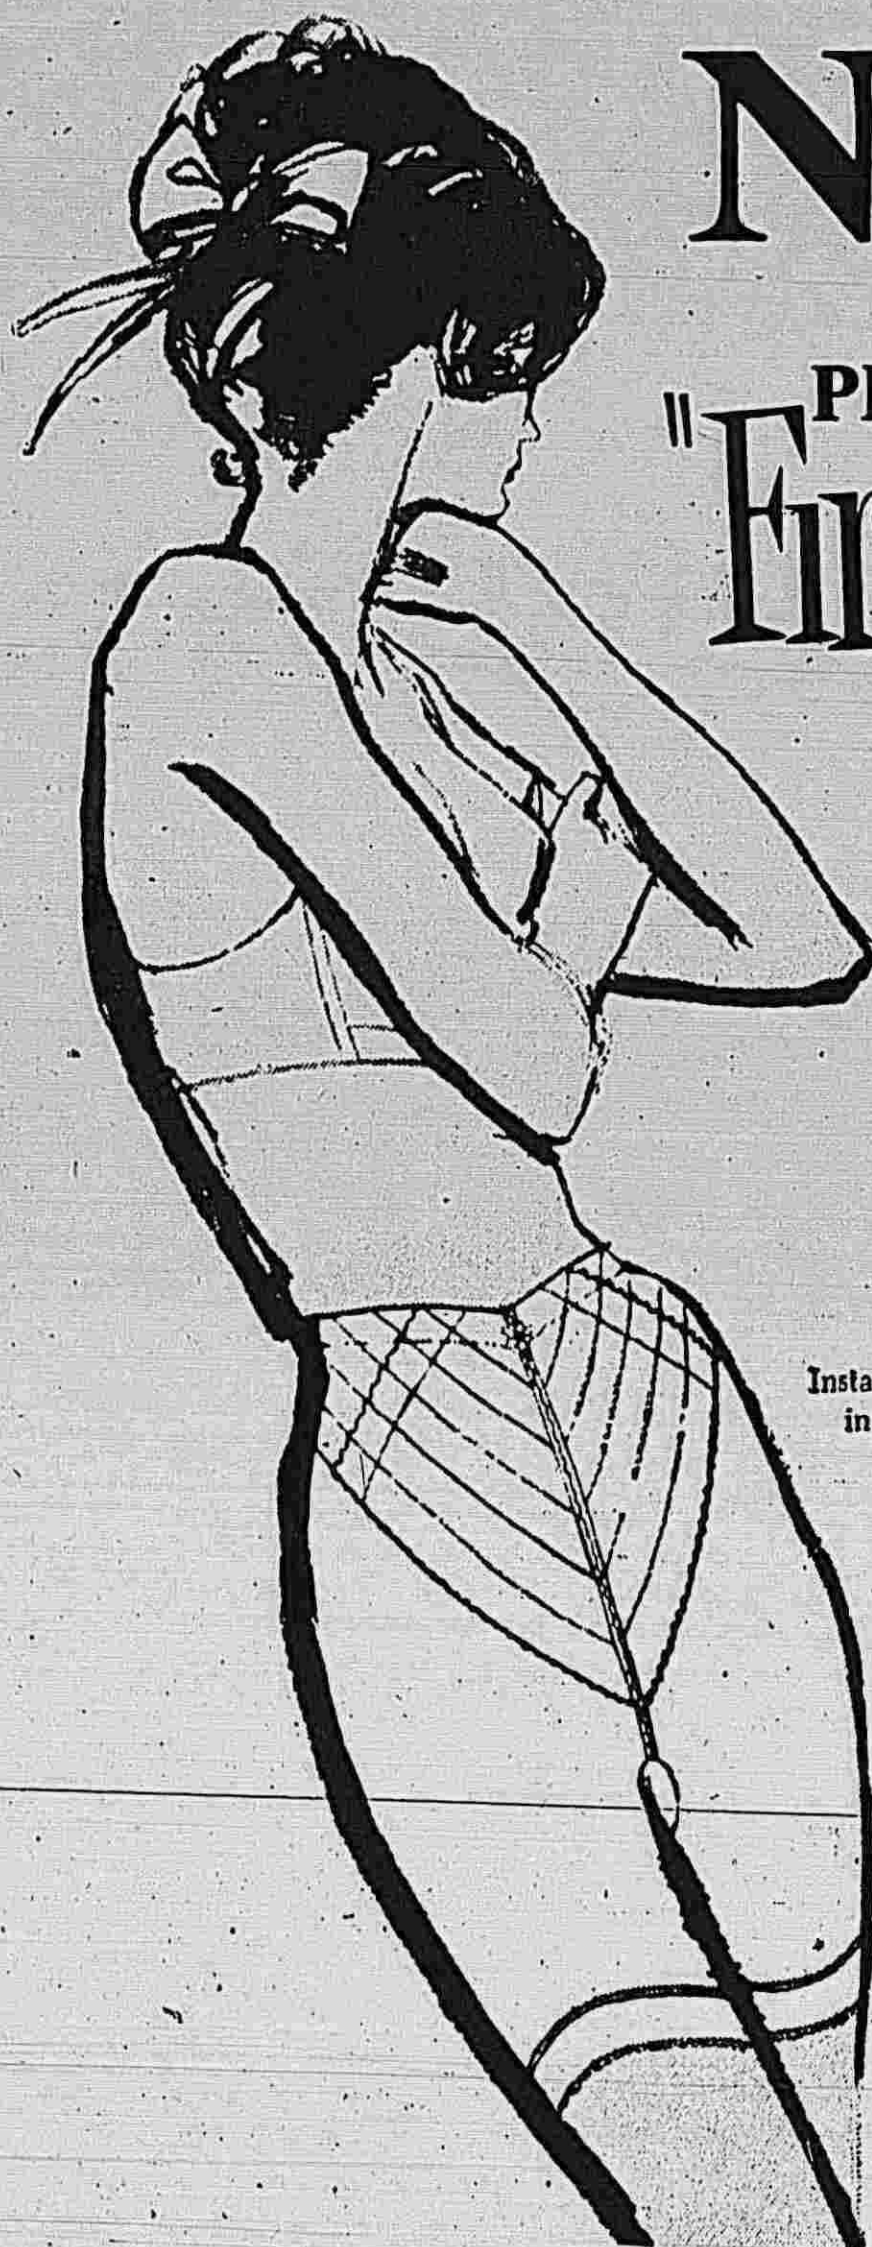

The 40th anniversary of Alpha Omega, the second oldest sorority at DePaul University, will be celebrated April 23 at Alumni Hall, 1011 Belden.

JoAnn Chamik, alumni coordinator for the sorority, said all past sisters of the sorority are invited to attend the dinner. Reservations may be made by calling Miss Chamik at 545-6876.

Loyal Order on April 10th of last year. Glen D. Siedschlag is also a member of the Legion of the Moose. Refreshments were served at the home of Mrs. Siedschlag following the ceremony.

An enrollment for new members of the Loyal Order will be held at the Antioch Moose Home Sunday, April 23, at 2 p.m. Members are reminded of the campaign that is going on and prizes that can be won by sponsoring members.

A regular meeting will be held on Wednesday evening, Apr. 26 for the L.O.O.M. and the birthday dinner will also take place on this same evening.

ACHS Band Wins Fifth "Superior"

The Antioch High School Concert Band received its fifth straight Superior rating at the State Band and Choir contest held April 15. The Antioch Band was the only Class A Band to receive a Superior rating from all four of the judges.

The contest was held at Prospect High School in Mount Prospect, Ill.

Anyone who would like to hear the award-winning band

will want to attend the Annual Spring Concert on Saturday, April 29 at the High School. The concert starts at 8 p.m. and will feature the music played by the band at the contest, as well as a concert of the best in Band Music.

Joseph Rush is Director of the Antioch High School Band. Tickets are on sale by members of the Concert Band.

Canvass High School Vote

The vote cast in the April 8th election for members of the Board of Education was canvassed at a special meeting of the Board Tuesday night at Antioch High School.

The two unopposed candidates each received 219 votes a very light vote.

School Attorney Ted Larson installed William E. Petty and William Brook. William Brook was elected president of the Board. Robert Denman, who has served nine years as president, withdrew his name from consideration because of the pressure of outside activities.

The board accepted the resignation of Kenneth Merrill, effective at the end of the school year. Mr. Merrill has taught Social Studies and has been assistant football coach and assistant sponsor of the Student Council. He lives in Racine, and expects to have a position in that city next year.

Terrence Faro, who has been employed as a replacement at the death of John Gudgel, was approved as a permanent replacement and the board voted to extend a contract to him for next year. Mr. Faro has been teaching Math and serving as assistant track coach.

The High School Board will host the boards of education and the administrators of all elementary schools feeding into the high school at a dinner meeting Wednesday, April 26. In addition to discussion of mutual problems, slides showing the operation of the Diversified Occupations program will be shown. Featured speaker for the evening will be L. F. Parrish, Field Secretary for the Illinois Association of School Boards. He will discuss school legislation which has been passed, or is pending, in the General Assembly.

Bit Of Bubbly Help The Aged

San Francisco, Calif.—A sip of wine with meals and before bedtime may pep up old folk enough to enable them to enjoy their meals, calm their fears, help them enjoy a good night's sleep. At least that's the claim made by Chauncey D. Deake, Ph.D., senior lecturer in pharmacology and the history of medicine at the University of California School of Medicine and Milton Silverman, Ph.D., director of medical research, Wine Advisory Board, California State Department of Agriculture.

In a recent article in Geriatrics magazine, they maintain that for the elderly people who lack appetite or complain about the taste of their food, "wine may have a great value both in stimulating appetite and flavoring food."

It is also helpful, they maintain in reducing "their fear, anxiety, loneliness, and real or imagined rejection." They urge moderation and the eating of small amounts of food with the wine so as to "reduce the rate of absorption and produce low but long-lasting concentrations of alcohol in the blood."

Since wine (and other alcoholic beverages) may mix poorly with medicines, the pharmacologists recommend that it be taken only with the guidance of a physician.

Canvas Toppers Schedule Meeting

The "Canvas Toppers" camping club of Lake County will have a meeting Sunday, April 23, at 1:30 with a pot luck dinner at Hawthorn School, Mundelein.

There will be election of

Channel 11 To Hold TV Auction

Tuesday, April 25, is the day that Channel 11, educational TV, will start an auction to raise funds to support the station.

The Antioch Woman's Club has had a hand in furnishing items to be auctioned off. Several local firms, including the State Bank of Antioch, Frosted Sno, Quaker Industries and Charming Products have supplied items for the auction. The Antioch Lumber & Coal Co. donated a 50 foot lot.

Bidding on the items will be by telephone. All sorts of odd items and services will be auctioned off by prominent personalities.

- 1 teaspoon salt
- Dash pepper
- 1 teaspoon Worcestershire
- 1 teaspoon horseradish
- 1 egg
- ¾ cup buttermilk
- 1 7-oz. pkg. instant mashed potatoes (2 envelopes)
- 4 teaspoons grated onion
- Catsup

In a saucepan melt butter, saute onion until tender. In mixing bowl combine bread crumbs, beef, salt, pepper, Worcestershire sauce and horseradish. Add egg, ¾ cup buttermilk and sauteed onion. Mix lightly, but thoroughly. Using one envelope of instant mashed potatoes, prepare according to package directions, substituting ½ cup buttermilk for the milk, and adding 2 teaspoons grated onion. Spread half of the meat mixture on the bottom of a 10-inch pie plate, top with potato mixture. Spread with remaining meat mixture, bake in a pre-heated 350° oven about 40 minutes.

Mean while prepare topping: Using second envelope of instant mashed potatoes, prepare as before, spoon potato mixture around edge of pie. "Slip under broiler" until potatoes are lightly browned, garnish center of pie with a few spoonfuls of catsup. 6 servings.

officers after the potluck. Also a fine Barber Shop Quartet, from Waukegan, will be heard.

Awards To Scout Leaders For Service

The Northwest District of the North Shore Area Council, Boy Scouts of America will hold its annual Scout leaders recognition dinner at the Mundelein High School cafeteria on Wednesday evening, April 26, at 7:00 p.m.

All adult volunteer Scout leaders will be recognized for the leadership they are giving to the Scouting program. The Northwest District covers most of Lake County serving 23 communities, 2800 boys organized into 85 Scouting units and led by 1400 adult volunteer leaders. Leaders attending the annual meeting will be from Libertyville, Mundelein, Antioch, Grayslake, Round Lake, Lake Villa, Fox Lake, Lindenhurst, Wauconda, Half Day, Ingleside, Prairie View, Long Lake, Channel Lake, Ivanhoe, Grass Lake, and Island Lake.

The program will include the presentation of the Trail Blazer Award to six outstanding Scout leaders in the District. The names of those to receive the Trail Blazer Award are withheld until the night of the annual meeting. This award is presented to those who have given outstanding and distinguished service to boyhood and have blazed the trail of Scout leadership for others to follow.

The new district officers

will be installed at this meeting. The new officers nominated and elected at the district's annual business meeting are: Norman Schaper of Libertyville, district chairman; Dr. R. M. Adelman of Wauconda, vice chairman; Walter Alley of Libertyville, vice chairman; Jack C. Forney of Libertyville, district representative; and Robert L. Barr of Libertyville, district commissioner.

Judge Minard E. Hulke, Associate Judge of the Circuit Court, 19th Judicial Circuit for Lake County will be the guest speaker. Judge Hulke retired last December after serving 20 years as Judge of the Lake County Juvenile Court. He has been extremely active with youth groups, civic affairs, welfare agencies, and the American Legion. He is a thirty year Scout veteran, a member of the Oak Plain Council Executive Board, and is currently registered as the council advancement chairman for the Oak Plain Council. Helping and guiding children with his great devotion over the years has made him the recipient of the Seal of Justice Award from the National Council of Crime and Delinquency, and the Silver Beaver award from the National Council of the Boy Scouts of America.

First-Round Winners In Lions Bridge Match

The first round of play in the Lions Club Bridge match is nearing an end, with all but one match having been played.

Marge Beitzel and Dorothy Olson, the champions of last year's tournament, were winners in the first group, with a total of 12,040 points. Runners-up, who will go into the consolation round, are Fran Reeder and Elaine Wojnowiak.

In the second group, Bill and Judy Nauman copped the

honors, with a total of 10,590 points. Dr. and Mrs. Charles Solar were a close second with 10,230.

Elmer and Lucile Eberman were winners in the third group, with 10,590 points. Mrs. Petty and Mrs. Tossey were second with 9,790.

Winner of the fourth group has not been determined, as there is one match yet to play, with Mr. and Mrs. Walker Lyons facing Mr. and Mrs. Bill Hayden.

Phone Customers On Vacations Get Low Rate

Telephone customers planning long vacations can achieve extra savings from a reduction in charges for suspension of residence service filed by Illinois Bell Telephone with the Illinois Commerce Commission.

Filed to become effective May 15, the new rates include one charge of \$4 for a suspension period of three months or less plus 50 cents for each additional month. For an additional period of 15 days or less, the 50 cent charge will not apply.

Present rates for suspension of residence service call for a one-time charge of \$3 plus a monthly charge of \$1.50 for each month of suspension.

Grass Lake Board Canvasses Vote

At its regular meeting last week District 36 canvassed the referendum of April 8. A total of 444 ballots were cast, 245 yes, 195 no, and 4 spoiled ballots. The referendum called for an increase in the educational fund from 83c to \$1.04 per \$100 of assessed valuation.

Two new board members were installed at the meeting, Mrs. Marilyn Haling and William Belz. These two members are replacing Charles Smith and Porter Larson.

The board elected Robert Hart as president and Earl Beese as secretary for the next year. Mr. Hart and Mr. Beese both succeeded themselves in these posts. The board also elected to have its regular board meetings on the second Tuesday of the month at 8:00 p.m. at the Grass Lake School.

Contracts for Mr. E. Brumbaugh, Mrs. E. Schroeder and Mr. J. Schockmel were signed by the board.

Mr. Schockmel reported on the testing program which is underway and the forthcoming events leading to graduation.

April 24-28 Is Student Council Week

Dress-Up Day, Dress-Down Day, and campaigning for and election of officers of the Student Council will be highlights of Student Council Week at Antioch Community High School.

Student Council Week will start off Monday with Dress-Up Day, when all the students put on their "best bib and tucker." A general assembly will be held with students listening to speeches of candidates for the various offices of the Student Council.

Tuesday will be Election Day at the school. Wednesday the new officers will be installed at a General Assembly.

Thursday is the day everyone enjoys—D-Day. Dress Down Day calls for comfortable, relaxed dress.

Friday is Eighth Grade Day. This is the day when the students who will be freshmen next fall are invited to visit the High School. Eighth Grade Day ends Student Council Week.

Weather Favors Early Race Season

The weatherman smiled and Waukegan Speedway had its best opening night in recent years as a near "standing-room-only" crowd turned out. Bill Bohn blasted his way to an exciting modified feature win, while defending champion, Jim Cossman, took home the late model honors.

Late Model and Modified racing with twin features is again scheduled for next Saturday night, with a Sunday rain date. Gates open at 6:30 p.m. and the first race is 8 p.m.

Fran Ansell jumped off to the feature lead with John Garner and Bill Bohn in hot pursuit. Bohn was second by the fifth lap had passed Ansell on the ninth lap.

Coming from scratch position was Whitey Harris, who missed time trials, by the eighth lap and challenged Ansell repeatedly for second. Harris slipped by Ansell on the 20th lap and pulled right.

The two raced in front of the field, but Bohn held his advantage to the finish, leading Harris by a car-length at

the white flag. Jim Bozeman finished third, Homer Ansell took fourth and brother Fran wound up fifth.

Marty Chapman was king for two laps in the late model feature, before Jim Pasley passed him with his sleek '65 Chevelle convertible. Pasley drove a consistent, fast-paced race and held the lead until the ninth lap when Cossman powered by on the inside. Harold Gutche tried the same groove, but failed.

Finley Gutche raced by on the eleventh lap and held on for second although Dennis Burgan made a determined bid with one lap remaining. Burgan finished third, Pasley was fourth and Al Hagerty was fifth.

Opening night action was fierce and Claude Potter almost joined the up-side-down club as his modified tilted precariously in a spectacular heat race accident that eliminated Tom Gruenwald and John Reimer from the feature.

THOSE GALLANT MEN OF OLDS CUT THROUGH THE LIST PRICE FOG

...with some cold hard facts comparing Oldsmobile Delmont 88 with Buick LeSabre

List Price Comparison 2-Door Hardtops	Delmont 88 costs \$21 less
Engine Performance	Delmont 88 offers a choice of two engines at no additional cost. One has 30 more hp, the other 40 more than LeSabre. To match Delmont 88's standard hp, you have to pay lots extra for an optional high-performance engine in LeSabre.
Engine Options	Delmont offers 7 engine options. LeSabre offers 2.
Standard Exterior Items	Delmont 88: Chrome front fender, rear quarter and wheel open moldings as well as wheel discs are standard. LeSabre: All these items cost almost \$60 extra.
Interior Trim Appointments	Delmont Holiday models boast deluxe Easi-Grip door handles and brushed, satin-finish side panels for true luxury. LeSabre: No seat-side panels, conventional door handles.

CONCLUSION: When you cut through the list price fog, Delmont with comparable equipment, horsepower and transmission costs far less!

Collection Tells History Of Indian

On display in the display case at the State Bank of Antioch is a small portion of the collection of Indian relics of Stephen Young.

Steve, of Rte. 5, Antioch, has been collecting Indian relics since he was a youngster and now has an extensive collection. He displayed portions of his collection at the Lake County Historical Museum and worked with Robert Vogel, head of the Museum. Steve was curator of anthropology at the Museum.

Steve started his Indian collection with arrow heads, the first ones picked up on his father's farm. As his interest grew, he read and studied the uses and origins of each piece he acquired.

He pursued Indian relics in every likely spot within his reach. As friends learned of his interest, many of them passed on to him information or relics.

Now he has a tremendous collection. He has acquired 41,000 arrowheads, many of them made of semi-precious stone material. He has war clubs, ceremonial pieces, needles and awls, pottery, spear heads, axe heads, peace pipes, moccasins and deer hide coats and pants.

Most of the early Indian jackets were decorated with split and dyed porcupine quills. A coat in the display has a bullet hole through the sleeve, showing where the wearer was wounded. The bullet hole goes through only one side of the sleeve, showing the bullet lodged in his arm. It also tells that the owner somehow acquired the coat of an early United States.

The collar is lined with blue kersey, the material from an Army jacket, and boasts buttons from a U. S. army jacket.

A coat and pants suit of deerhide, plus matching moccasins, is a rare relic, with elaborate appliques of thread. The thread, Steve says, undoubtedly came from an early trading post.

The arrow heads in the display at the State Bank are beautiful as well as utilitarian. The materials from which they were made include crystal quartz, agate, jasper, black and mahogany obsidian, smoky quartz, sugar

quartz, petrified wood and pink chert.

There are some ceremonial pieces, including one in the shape of a centipede.

The red pipes you'll see in the display are made of a stone called catlinite, which came from a quarry at Pipestone, Minn.

The glistening black stone object resembling an axe head is a celt, and is made of hematite, almost pure iron ore. The large axe weighs 22 pounds and came from the Grass Lake area. The mortar and pestle is also local.

A small basket in the display was made by the Pima Indians, the finest weavers in the world. It's made of grass, so woven that it will hold water.

The story of the lives of the early Indians is told in the tools he used and the relics he left behind, for those who painstakingly dig and study the artifacts he left behind. So is the story of the locale where he lived (told in the materials he used). Steve, and others like him, collect and catalogue these items for the information of those who follow.

Steve is an ardent supporter for a Museum for Lake County. "My collection, and others in Lake County, belong in museums," he says. "Somewhere where people can see them, and where they'll be protected from fire or theft. If a place isn't provided for them, some day they'll be lost to this area."

Steve is still ardently pursuing his hunt, and asks that if anyone knows the whereabouts of any Indian material they let him know. His address is Rt. 5, 130-4th Ave., Antioch. His phone number is 395-0890.

The Central High To Purchase New Bus

The Central High School Board of Education approved the purchase of a bus at the March meeting. The bus will be bought from International Harvester at a cost of \$6,451.00, including trade-in of the old bus.

The board also accepted the resignation of John Myers, Social Problems instructor.

Prizes For Essays On Road Safety

The Paul Powell Highway Safety Foundation, Inc., a not-for-profit corporation, has been organized and issued a charter, Secretary of State Paul Powell announced today.

NICC Plans Trap Shoots

The Northern Illinois Conservation Club kicked off the opening of their trap range for the 1967 season on Saturday, April 15 with a practice shoot, starting at 1 p.m. and running until 4 p.m.

A prize shoot will be held on Sunday, May 7, starting at 10 a.m. and continuing until dark.

Turkeys, steaks, chickens and young ducks will be the main prizes for which shooters will contend.

The shooting schedule for the balance of the year, as currently set up, calls for practice shooting every Saturday afternoon, and a prize shoot on the first Sunday of every month. Bert Metz, Lake Villa, the club's new president, heads up the trap committee.

THE ANTIOCH NEWS 8 THURSDAY, APRIL 20, 1967

The purpose of the organization is "to stimulate and encourage the study and solution of public highway dangers to the end that accidents on public highways will be curtailed and that public highways will be made safer for the public."

Incorporators are Lindell W. Sturgis of Metropolis, Williams L. Rutherford of Peoria, Gerald Sinclair of Salem, Curtis G. Small of Harrisburg and Joseph Germano of Chicago. Representative Allen T. Lucas of Springfield is the registered agent.

As a part of its program, the Foundation plans to sponsor essay contests on traffic safety for high school seniors, with the winners to receive college scholarships.

A special committee will be named soon to draw up contest rules and regulations, serve as judges and administer the fund, Mr. Powell said.

I'm a Stranger Here Myself

How to make sure your phone moves in when you do

The minute you get a move on, let us know. Your Illinois Bell Service Representative will become a silent—but active—partner in making your move easier.

One call to her at the business office serving your old home takes care of a lot of things. Like disconnecting your old phone as you move out, arranging your new service as you move in, and letting callers know your new number.

Whether you're moving to a new block or a new state—anyplace in the United States served by the Bell System—she can help you arrange for phone service at your new address.

If you're moving to a new community, your Service Representative will contact the Bell business office there and tell them you're coming. They'll call you—free—and arrange your service.

We call this the "Easy Move Plan."

"Our Service Representative arranged everything."

A scene from "The Remarkable Mr. Pennypacker", on the stage at the PM&L Theatre this weekend. Left to right, Sue Bushnell (Aunt Jane); Garnett Oddsen (Ma Pennypacker) and A. L. Ramsay (Grandpa Pennypacker).

"Mr. Pennypacker" Delights Reviewer

Footnotes and Footlights
By Bonnie Mosier, Director,
Park Forest Playhouse

For us it was an eighty mile jaunt to view the latest production of the Palette, Masque, and Lyre theatre group, and for every mile there was a theatrical reward. "The Remarkable Mr. Pennypacker" presented by the remarkable PM&L group clipped along at an audience-captivating pace from the first strains of the old victrola until the "too soon" final curtain. Under the skilled directorship of Josef Hunley the audience didn't watch the exuberant Pennypackers—they were part of them.

Dr. Al Bucar as the free thinking, self assured Pa Pennypacker, turned in an expert performance as the leavening agent in the hectic and laugh-filled turn of events that upsets the family's Victorian cool. Ma Pen-

nypacker, portrayed by Garnett Oddsen, was beautifully warm and affectionate but just a shade too young to mother such a brood. No fault of Garnett's sincere characterization, but a little heavier hand in the make-up box might help.

Long-time fans of Al Ramsay attended, expecting a professional performance and were not disappointed. His blustering, at times apologetic, Grampa Pennypacker was a masterpiece of timing and stagecraft. From his center parted hairdo to his brandished walking stick, he was every inch the sovereign patriarch. Sharing the honors in the professional class were Don Beveroth as Dr. Fifield and Sue Bushnell as Aunt Jane.

Don's enacting of the pious "I shall overcome" minister was a delight, and one got the impression that he had the situation well in his

folded hands at all times. Miss Bushnell brought frustrated Aunt Jan to life with aplomb that belies her tender years. She brought to the part an empathy that could be envied by the more experienced.

An old warning in the grease paint world has always been issued against playing opposite children. Traditional scene stealers by their very presence, young 'uns are a tough adversary.

The litter of Pennypackers proved the adage. Robert Hunley, Linda Walpole, William Davis, Jerry Smouse, Ainsley Brook, and Gary Reckers aptly illustrated that kids will be kids no matter what the era. Kudos must go to Jay Horton and George Wren whose performances and stage presence could have mature thespians looking to their laurels. These young gentlemen show great promise and we hope to see more of them in the future.

Right from the opening scene the diminutive ballerinas, Stacy Wetherbee, Chris Walpole, Debra Barton, and Robinette Hunley, did much to warm hearts.

Can Now Get Insurance Through HIA

The directors of the Lake County Health Improvement Association, a group of civic, farm leaders and small business men, dedicated to the betterment of health for county residents, at a meeting held Monday, April 10, at Joe and Helen's Little Acres in Antioch, voted to initiate a program to extend the benefits of the Blue Cross-Blue Shield plans, on a group basis, to more Lake County residents. Final plans were made and a special enrollment period was opened, effective from April 11 through April 24.

Persons eligible to join—Blue Cross - Blue Shield through the Lake County H.I.A. must be under 60 years of age, live in the county, be self employed or work for a firm with less than 10 employees. Husband or wife

as Wilbur and Kate, the romantic duo, were like a breath of spring. Steve's bout with intoxication was a "well-done" in a field that is often overplayed. Chris had a slight tendency to rush her lines at times, but nonetheless came across the lights as a little charmer.

Capability rounded out the cast with Henry Apostol as the saucy sheriff and Gary Strahan doubling in brass as both the reporter and policeman.

Many compliments go to the unsung "stars" backstage for composing a picture of Victoriana that could have been lifted from an antique baroque frame.

Perhaps the greatest laurel wreaths should be crowning the brow of the group itself for an enthusiasm that becomes contagious from the first welcoming smiles at the box office. More fortunate than most, with their own little theatre, they are a wonderful example of America's "grass roots" theatrical endeavor. May they always "break a leg."

If you haven't met the Pennypackers, run, do not walk, to pay a visit this weekend—and we're looking forward to "Oliver!"

under 60 may join even though their mate is over 60, and children, unmarried and under 19 may be included in the family plan to receive the liberal benefits of this Blue Cross 365-day plan furnished by 270 member hospitals in the state, and in the more than 7000 Blue Cross Hospitals in the United States.

The Blue Shield H300 plan provides allowances to help pay doctors' bills for operations, in-hospital medical care, and obstetrical care after 270 days of family membership.

Residents who join the Blue Cross-Blue Shield plan during this enrollment period will begin receiving benefits from June 1. "Our volunteer workers are performing a vital public service in bringing this health care to county residents at these low group rates," said Raymond Flood, Libertyville, farmer and Lake County H.I.A. president.

This special enrollment ends April 24, so for more information, or application, persons can contact the Lake County H.I.A. office secretary, Mrs. Georgia Herman, P. O. Box 37, Lake Villa, or phone 350-7087.

**Spring cleanup. Buy a new electric range and get the wiring free.
(If you buy one with a self-cleaning oven you'll really clean up.)**

It's a hard deal to beat.

You buy a new electric range—the necessary wiring will be installed free.

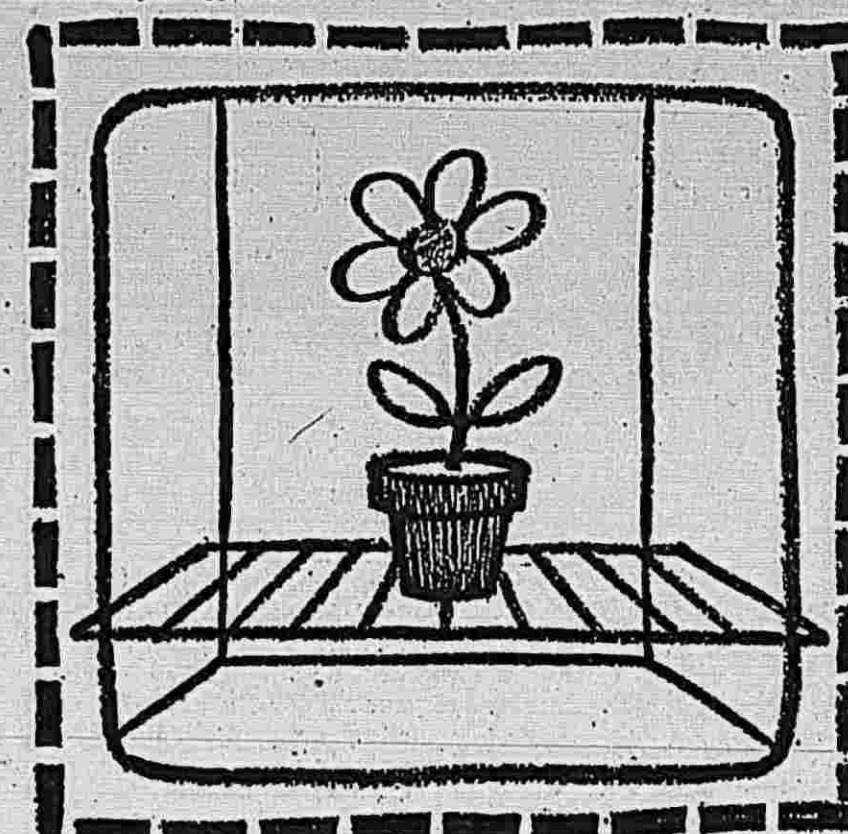

This offer can save you over \$100. (And you can add other heavy-duty appliances later.)

Make your new range one with a self-cleaning oven (if you want) and save even more. Because the new self-cleaning oven does a better job with about 8¢-worth of electricity than you could with a whole can of oven cleaner. Not to mention the savings in time and scrubbing.

So if you like saving money, see the modern electric ranges at your dealer's now. And take a particular look at the self-cleaning oven.

Commonwealth Edison Company

Cut out for your appliance store. Take me to your dealer. (He'll get the picture.)

FREE INSTALLATION OFFER. Now you can install a new electric range and get the wiring free. This offer applies, for a limited time only, to a standard wiring installation for a new electric range in any single-family dwelling or, for all new electric ranges in a two or three-apartment building served by Commonwealth Edison.

SATISFACTION GUARANTEED. If within 60 days you are not completely satisfied with your new electric range, Commonwealth Edison guarantees full refund of your purchase price. See your dealer for details.

Warning Light Slays Dark

Maybe you've noticed that inoperative, newly installed, warning light at the corner of Beach Grove Road and Route 59. The light has been there for three or four weeks, but is not in operation.

Perhaps, like us, you've wondered why it isn't working. Because Commonwealth Edison refused to approve the wiring and the contractor who installed the light hasn't been able to get back to make the change recommended by the electric company, says the State Highway department.

The light was installed by a private contractor, who then moved on to another job. Last Thursday, when we contacted the Highway Department, a spokesman said the contractor would probably have the light in operation within a few days.

New Sections Added To Rules of Road

Secretary of State Paul Powell today announces the issuance of a completely revised Illinois driver's manual, Rules of the Road, in terms of content, format and size, the first complete revision of the booklet since 1954.

New sections have been added covering motor vehicle registration and equipment, motorcycles and the medical aspects of driving; highway signs and traffic laws are more fully explained, illustrations are improved and the subject matter has been reorganized to group related subjects, Mr. Powell said.

As an example of improved illustration, Secretary Powell pointed out that all highway signs are shown in exactly the same shades of red, blue, green and yellow as those used on the signs themselves.

The theme of the booklet is, "Metropolitan expressway or country lane, you can't drive safely unless you know the Rules of the Road."

In his introduction, Mr. Powell said, "Accidents don't just happen—they are caused. Traffic safety experts tell us that most of them could have been avoided if drivers had known, understood and obeyed the traffic laws, signs and signals; if they had maintained their cars in safe condition, concentrated their full atten-

tion on driving and if they had shown proper respect for others who use the highways. Whenever you step into an automobile and start the engine you must assume certain obligations—Rules of the Road will help you fulfill this responsibility."

The booklet also combines the former Rules of the Road with the Chauffeur Manual. The number of pages is the same, but the page size has been increased from 6 1/2 by 4 1/4 inches to 8 1/2 by 5 1/4 inches. This has been accomplished at no increase in cost, Secretary Powell said, because the new page size eliminates waste and trimming from standard paper stock sizes.

Because of the new section on the medical aspects of driving, covering such topics as illness, disability, alcohol and drugs, Secretary Powell said he hopes to arrange to supply doctors throughout the state with copies of the booklet so they may give them to patients suffering from certain illnesses or taking types of medication which can impair their ability to operate a motor vehicle safely.

This article was written by Dr. Franklin D. Yoder, director of the Illinois Department of Public Health.

Also, Mr. Powell said, he plans to distribute the book-

LOCAL VS. "METRO" CONTROL

(Tenth in a series of articles on township government. This one evaluates "metro" government as an alternative to local governmental units.)

There is smoldering political agitation in this country aimed at increasingly stronger federal and centralized governmental control.

A few years ago, this concept of "big-government ex-

pansion descended on Illinois. It came in the form of a proposal for "metro" government in the Chicago area, with a plan for a multi-county, centralized, single-unit government controlling Cook, Lake, DuPage, McHenry and Will counties.

If it took hold in the Chicago area it would inevitably be proposed for other areas of the state.

This metro government would replace county, city, village and township governments—to complete or varying degrees—and would assume control over school and park districts as well. The people would elect a metro board, but from that point so-called "streamlining" would take place. A metropolitan manager would be appointed by the board, along with a horde of appointed officials—replacing most of all officials who are now elected.

Offices such as sheriff, clerk, treasurer, tax assessment and collection, township administrators and boards, school superintendent, and others would no longer be elective. The people would have no voice in appointments, except by remote control through the metro board.

The master planners of metro government say this would improve governmental efficiency, reduce costs and represent good home rule.

To say that some people disagree is putting it mildly. Township officials, for example, point out that there is much evidence of the efficiency of local government. Some of this evidence was cited in the preceding article, particularly applying to welfare costs and highway maintenance costs, which are handled by townships at about half the costs incurred by the county, state or federal agencies. It is extremely doubtful that metro government could possibly match townships in efficiency and economy of administration, township spokesmen say.

There is considerable evidence, they add, that inefficiency of government increases as it grows larger.

SPRING CHECKLIST

With spring in the air, it's time to spring into action on fire hazards.

Whether your home stays free from dangerous and destructive fire this year may very well depend on what steps you take right now, the National Fire Protection Association points out.

Here's a five-point program guaranteed to remove most of the common causes of fires in homes.

1. Clean out any stacks of newspapers and magazines, discarded clothing, mattresses, old furniture and lamp shades, draperies—all the clutter that collects in attics, basements and closets.

2. Do the same clean-up job in the home workshop, too—shavings, scraps, oily rags, oily paints must go.

3. Don't forget about the trash accumulating in the garage, and get rid of dead grass and brush around and near the house.

4. Repair defective electrical cords and plugs, check over appliances and call a competent electrician if they need attention.

5. Have your furnace, chimney and stove inspected and cleaned.

Fire danger lurks in every one of these spots, says the NFPA.

**a lot
of your
neighbors
have stopped
baking pies!**

Maybe it's because they discovered Jane Parker Pies... thousands have:

But...you say, "No thanks, there is nothing like a good home-baked pie." We agree...they're great."

But would you believe it if we told you our Jane Parker Pies taste home-baked? Probably not...until you've tried one.

Then you'd discover the crust is short and flaky like your own.

You'd discover the fruit is the kind you'd use... the best...juicy, not stiff with starch.

And if you popped a Jane Parker Pie into the oven and warmed it before serving, you'd discover a pie you'd be proud to call your own.

Are Jane Parker Pies a good reason for shopping A&P? They're one of many.
